

ABOUT AMROCK ENTERPRISE PVT. LTD.

AMROCK ENTERPRISE PRIVATE LIMITED is an ISO 9001:2015 certified company based in Rajkot, Gujarat. Established with the vision of supplying superior quality products at economical prices, AMROCK has rapidly become a prominent supplier of **PVC roundels, Geotextile membranes, PVC water stoppers, Polypropylene Monofilament Micro Fibers, Hydrophilic Swell/seal bars, and Fastening solutions** to projects spanning PAN India. Our products are manufactured in best-in-class facilities, ensuring the highest standards of quality and reliability.

OUR VISION

To be the leading provider of high-quality, cost-effective solutions in the construction and infrastructure sector, empowering our clients to overcome geotechnical, transportation, hydraulic, and environmental challenges with confidence and efficiency.

OUR MISSION

Our mission is to deliver superior products that meet the highest standards of quality and reliability while fostering enduring, mutually beneficial partnerships with our clients. We are committed to continuous innovation and excellence, ensuring that we not only meet but exceed the expectations of those we serve in the dynamic construction and infrastructure industry.
